

**1 877 918-7588**

Inventory Management  
Simplify your inventory management  
Easily update and advertise your car inventory online.

With just one click, VIN Explosion will complete car inventory information by adding :

- 100% of the manufacturer's options
- Plus 100% of the options selected at purchase
- Sends your inventory to ALL your advertisers
- All keywords are automatically generated to optimize indexing in search engine databases such as Google and Yahoo

## **INVENTORY EXPLOSION**

The powerful features offered by AutoV2.com's online inventory management solution will facilitate efficient management of your stock.

Our improved interface gives your team easy and complete access to all their information needs:

- Inventory management
- Pictures and videos management
- Windows sticker printing
- Promotions management
- Dealer trades
- Ad placement

And much more...
